

ATHLETIC BOOSTER CLUB

PURPOSE: The purpose of the NCS Athletic Booster Club is to assist the Northland Christian athletic program by providing a volunteer organization to make every athletic event a success. Our student athletes and coaches are working hard to prepare themselves for interscholastic competition and they need our help. One of the goals is to provide an extra boost to each of the 25 teams that make up our athletic program. By joining and volunteering for one or more of the activities listed on the back of this form, you will be helping our athletic program immensely.

FUNDING: The Athletic Booster Club is funded through membership, concessions, and the annual golf tournament.

PARTICIPATION: Participation in Booster Club activities is not required for membership, and a family can contribute as much or as little time as you have available.

Five Memberships Available

1. GOLD \$1,000 Membership

Benefits of a Gold Membership:

- + Two Booster Club Shirts (1 Dry Fit Polo for men and 1 special ladies shirt)
