

## TAPPS District 4 - 5A Volleyball Plan for years 2006 – 2007

1. The district will use a single round robin format in district play such that each school will play each of the other schools one time during the district season.
2. Results from the single round robin will be used to seed a district tournament at the end of the season.
  - A. The number of district match victories will be used for determining the seeding of the district tournament.
  - B. In the event of a two way tie in match victories, the school that won the head to head match will receive the higher bid to the district tournament.
  - C. In the event of a multiple tie in match victories, the district tournament seeds will be decided using the game percentages (games won / games played) using only the matches between the teams involved in the tie.
  - D. In the event of a two way tie using game percentages, the head to head winner will receive the higher seed in the district tournament.
  - E. In the event of a multiple tie in game percentages, the district tournament seeds will be decided using the point percentages (points won / points played) using only the matches between the teams involved in the tie.
  - F. In the event of a two way tie using point percentages, the head to head winner will receive the higher seed in the district tournament.
3. District 4 – 5A TAPPS Playoff seeds will be determined by the results of the district tournament. In all cases, except in the event of a 3 way tie for first using the number of district match victories during the single round robin the following will apply for the distribution of TAPPS District 4-5A Playoff seeds.

District Tournament Champion:	TAPPS District 4-5A first place
District Tournament Runner Up:	TAPPS District 4-5A second place
District Tournament Third Place:	TAPPS District 4-5A third place
District Tournament Fourth Place:	TAPPS District 4-5A fourth place

In the event of a 3 way tie for first using the number of district match victories during the single round robin, each of the three schools involved in the tie will advance to the TAPPS Playoffs. The other school that will qualify for the TAPPS Playoffs will be the highest finisher in the district tournament that was not involved in the three way tie for first. The TAPPS District 4-5A playoff seeds will be determined by the position that each of the four qualifying schools finish in the tournament

4. The District Tournament will be conducted on 3 three playing dates:

Date 1: First Round – Match to be played at the school with the higher seed  
Date 2: Rounds two and three will be played at the same location (2006 LSA, 2007 TBD).  
Date 3: Third Place and Championship Match to be played at the same location as Date 2.

2006 Playing Dates: Thursday - October 19<sup>th</sup>, Saturday - October 21<sup>st</sup>, Tuesday - October 24<sup>th</sup>  
2007 Playing Dates: To be Determined
