Fine Arts Society Mission Statement

The Northland Christian School Fine Arts Society believes that training in the Arts is an essential component of a college preparatory education. Through Fine Arts studies, our students will gain a better understanding of themselves and the world around them. Most importantly, they will develop their talents to bring honor and glory to God. The Arts positively impact our lives, community and our culture. Our purpose is to raise awareness of Northland Fine Arts programs, build a volunteer base and provide financial support for needed equipment, supplies and facilities.
