

This referral form is designed for existing families to refer new students to Northland Christian School. Only one current family will be credited for referring a new family. For the referring family to receive the \$500 tuition credit, this form must be signed and dated by the new family and submitted with the new student's application for admission. Once the new family has been enrolled for one semester, the referring family will receive the \$500 tuition credit. This referral credit has no cash value, can be carried forward one year, and is non-transferable. Only one \$500 tuition credit will be issued per new family and is intended only for new students entering Kindergarten through 12th grade. **The following are not eligible to receive this credit: Northland faculty and staff, any family receiving financial assistance or any family receiving a minister's discount.**
