Dear Rich,

Thank you for coordinating the 3/4/08 blood drive at Northland Christian School. Your efforts and support of the *Commit for Life* program are greatly appreciated.

Commit for Life allows us to partner with the community to provide a safe and adequate supply of blood and blood components. Our mission to save and sustain lives could not be fulfilled without you.

You may be interested to know that 38 donations were collected at your drive. Because each donation can save up to three lives, as many as 114 lives will be saved as a result of your contributions.

In addition, you and your donors are eligible for many benefits through the *Commit for Life* program. To learn more about these rewards, please visit www.giveblood.org. I look forward to working with you again on an upcoming blood drive.

Sincerely,
