

Senior Class Off-Campus Lunch Agreement

I, the parent/guardian, of _____ give my permission for my son/daughter to leave Northland Christian campus for lunch. I accept full responsibility for my son/daughter while in transit and while eating lunch off campus. I have read and agree with the following:

This privilege is for the senior class only. Underclassman are not allowed to go off campus for lunch, even with a driving senior.

Senior off-campus lunch is available except on days designated by the administration when off-campus lunch would not be possible.

Each student must accept responsibility for driving to and from lunch. Speeding, careless, or reckless driving can result in a loss of privilege.

Any complaint from an eating establishment of a student's conduct can result in loss of privilege of off-campus lunch.

Tardies to the period directly following lunch or to class meetings will be considered when determining continued eligibility for off-campus lunch. Penalties for tardies to those classes are as follows:

1. One week penalty for every three tardies to the class following lunch.
2. Habitual or irresponsible tardiness may result in permanent loss of off-campus lunch.

The senior and the parent/guardian must sign this permission letter before off-campus lunch is allowed.
