

## **ACTS Ongoing Projects**

These are projects you can work on independently that allow for greater flexibility. Please pay careful attention to the guidelines in order to earn the hours. Complete our ACTS Service Form and turn in with your project to Mrs. Domingue in Building 8.

### **Chip in for ACTS**

Be in charge of one specific ACTS chip recycle bin here on campus or elsewhere. You will monitor the bin and collect, wash, dry and cut the bags. You earn 1 service hour per 20 bags. [Link](#)  
Another option is for YOU to collect bags. You need to wash, dry and cut and turn in. 30 bags equals one hour.

### **Color A Smile**

Download pages and color. Six colored pages = 1 hour. See instructions at the bottom of the page. [Link](#)

### **Love Letters For Our Elders**

The website states, "We're fighting loneliness with love, one letter at a time." Follow the guidelines from the organization. Eight letters equal one service hour. [Link](#)

### **Love Letters for Literacy**

Create a literacy kit for preschoolers in need. These handmade packets are comprised of 26 flashcards (A through Z), a short note from the volunteer, and a list of educational games to play at home. *See previous page for project instructions.*

### **Meals on Wheels**

There will be several seasonal opportunities provided for making tray treats for the clients. Watch for email updates and listen for info on the morning announcements.

### **Operation Gratitude**

Make 3 paracord lanyards for one service hour. Read the instructions carefully. There are strict guidelines for colors. They have excellent videos and written instructions. [Link](#)

Write 8 letters following the guidelines to earn one hour. These cannot be electronically copied. Each is individually written. [Link](#)

### **Project Linus**

You may earn 3 hours per blanket. There are specific instructions. Blankets are only one layer due to our climate and hospital storage space. Bring completed ACTS form and blankets to Mrs. Domingue. [Link](#)

On second column, click on No-Sew Fleece Blanket #1.

For alternate edge finish, see No-Sew Fleece Blanket #2.

### **Rock Garden**

We are always in need of fresh rocks in our NCS Rock Garden. There are guidelines to insure that your work endures. Refer to the info sheet. Rocks are valued at twenty minutes each or 3 for one hour. Bring completed rock to Mrs. Domingue with your ACTS form. *See previous page for project instructions.*

### **Visual Compassion Lens Project**

We partner with Dr. Joey Dollock and sort donated lenses for use on the mission field in eye clinics. Sorting is done on campus in Building 8 after school. Please sign up so that we are expecting you. [Link](#)
