4/30	\$2,000
5/31	\$3,000
6/30	Half of tuition is due
After 6/30	Full tuition due

If a student withdraws, or is otherwise dismissed, during the school year, the terms of the tuition insurance policy (if elected) will prevail. Otherwise, tuition and all other fees are due upon withdrawal or dismissal.

New Family Referral Tuition Credit – Only one current family will be credited for referring a new family. In order for the referring family to receive the \$750 tuition credit, the New Family Referral form must be signed and dated by the new family and submitted with the new student's Application for Admission. Once the new family has been enrolled for one semester, the referring family will receive the \$750 tuition credit. This referral credit has no cash value, can be carried forward one year, and is non-transferable. Only one \$750 tuition credit will be issued per new family. Northland faculty and staff are not eligible to receive this credit.
