ELEMENTARY

HONOR CHOIR SINGS AT THE ROCKETS GAME

What a night! Northland's Elementary Honor Choir was invited to sing the National Anthem at the Houston Rockets game at the Toyota Center. The students represented NCS so well and served as testimonies to the greatness of our school and the glory of our Lord.

3rd GRADE CHAPEL

Ms. Flowers' 3rd grade class presented chapel about the Armor of God this week. This chapel was a great reminder of the need for us to protect ourselves with the belt of truth, breastplate of righteousness, shoes of peace, shield of faith, helmet of salvation, and the sword of the Spirit.

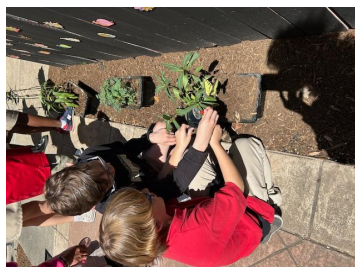

SCIENCE FUN

STEAM education is blooming this spring in our elementary science lab. STEAM activities help us bring out the best in our students!

Third graders are successfully engineering and programming robots.

Fourth graders are using tools to observe the stages of metamorphosis around our renovated student art fence.

Our younger students are creating dragons after reading about legends in their Asia continental study.

TPSMEA ALL-STATE HONORS

Five of our talented music students spent many months with Mrs. Nelson preparing recordings for the TPSMEA (Texas Private Schools Music Educators Association) All-State competition and were chosen to participate in the All-State choir. Please congratulate the following:

Our MS boys golf team members for the Sharpstown Invitational tournament included Kyle Koopmans, Sam Greco, JT Thompson, and Carter Barnett. They are pictured here along with Coach Lewis. The golf program has added many members this year and they are looking forward to a season full of success!

ORCHESTRA SOLOS, ENSEMBLES, AND SENIOR SHOWCASE

Congratulations to our secondary orchestra students on a fantastic solo and ensemble recital. What a spectacular evening!

These 6th-12th grade orchestra students were just amazing! We had 12 sixth grade soloists, 6 twelfth grade soloists (many who had their first solo on this same stage many years ago), and ensembles performed by 7th-11th graders. The students received 24 top ratings from the judges! So proud of their progress and growth and looking forward to our spring Broadway-themed Pops concert!

Additionally, the Elswick family hosted a lovely Seniors and Siblings Recital. This was a beautiful evening of music during which we were blessed to make use of a grand piano for our pianists performances.

Both evenings ended with desserts, treats, and many fun memories as everyone was able to enjoy the seniors tri-boards.

DEBATE TFA STATE TOURNAMENT

Debaters wrapped up a great local season by participating in the Texas Forensic Association's state tournament, held at Jordan High School on March 6th - 8th! In order to qualify for the tournament, students must accumulate 12 points over the course of the year. This year, we had 12 students qualify!

Out of the nearly 200 schools that had students qualify, NCS had the 5th most qualifications amongst private schools from across the state.

SPIRITUAL RENEWAL DAY

Northland Christian secondary students participated in Spiritual Renewal Day on Thursday. We are thankful to Fallbrook Church for hosting us for the day and providing powerful worship time, an inspiring speaker in NCS alum Omari Pender, and a beautiful facility for us to enjoy. The student body came together as a community through activities led by Student Council and also had the chance to be poured into and prayed over in both our life group and worship time as we dug into God's word by exploring Ephesians 5:1-2.

TCDA HONORS

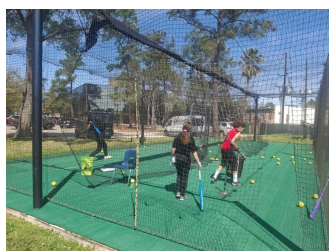

The students pictured above were recognized by the Texas Choral Directors Association as members of the Texas All-State Choir. The Texas Choral Directors Association searches for the best of the best among both public and private schools. Congratulations to our fabulous choir director, Mrs. Aimee Bowles, and her students for this fantastic achievement! Pictured above are:
