

Spelling Bee

On January 16, 2025, our Lower School held its annual Spelling Bee! One representative from each homeroom class, grades 1 through 5, participated in the event. Our representatives competed fiercely through 22 rounds. Faith Peoples, a 4th grader, emerged as the winner of the Spelling Bee, successfully spelling the championship word "upholstery." Annie Nguyen, also in 4th grade, was the runner-up. We are incredibly proud of all our representatives and alternates for their hard work and dedication!

- Sage Sherman, 2nd grade
- Grace Medrano, 3rd grade
- Bella Peoples, 3rd grade

6th Grade Shadow Day for current 5th Graders

On Tuesday of this week, NCS 5th graders participated in the exciting tradition of shadowing 6th graders for a day. Paired with their 6th-grade counterparts, they followed the day's schedule, experiencing a variety of academic classes and exploring different elective opportunities. At lunch, the atmosphere was filled with joy as both groups enjoyed pizza and participated in a spirited House Competition.

On Monday night, 5th-grade parents gathered on campus to learn from administrators and teachers about the remarkable journey that awaits in 6th grade. The evening began with an overview of what is to come, followed by opportunities for parents to visit classrooms and hear directly from educators about the enriching curriculum for 6th grade and beyond. This event set the stage for the promising future of next year's 6th-grade class.

Choir

Freshman Addison White participated last weekend in the TPSMEA Region Choir clinic and concert. Hundreds of choral students from private schools across the Houston area compete for coveted spots in the region choir, aiming to perform incredible music with fellow talented singers and clinicians. The concert was beautiful, and we are very proud to have Addi representing the NCS choir!

World Geography Class

World Geography students played a game called "Try to Stabilize the Country" using Jenga blocks. Each block represents a fundamental aspect of society—GACHPPE, which stands for Geography, Agriculture, Culture, History, Population, Politics, and Economics. As students removed a block, they explained how weaknesses in that area could lead to overall instability in the country. For example, a student might say, "A lack of rainfall affects agricultural output, causing instability." This is just one of the many interactive learning experiences that make up a Northland education.

Debate

Debate is off to a fast and furious start this semester, with two tournaments happening in one weekend! At Cy-Falls, Jamie and Savannah achieved their state qualifications. In the WS category, 3rd place was awarded to Jackson (x2), Savannah, Aiden, and Makena. In the LD Elimination rounds, Jamie, Jake, and Liam performed well. In the Individual Events (IE) Finals, Aiden (x2), Makena, and Celeste competed.

At New Tech, Margo and Kate represented NCS while competing with USA Development. The USA Dev. Red team, which included Kate, earned 2nd place. The USA Dev. Blue team, featuring Margo, reached the quarterfinals, and Margo was recognized with the 8th-place speaker award. Congratulations to everyone!

ATHLETICS

Middle School Girls Soccer

Congratulations to the Middle School girls' soccer team for beating Conroe Covenant Christian on penalty kicks for their first win of the season.
