Dear Friend of Northland Christian School,

For 51 years, the dedicated faculty of Northland Christian School have inspired students to pursue a lifelong love of learning while preparing minds for leadership and hearts for service. Our mission is to equip every young person with the courage to act with conviction, the integrity to lead with compassion, and the confidence to pursue their God-given purpose.

On **February 21, 2026**, we will joyfully gather for the **Boot Scootin' Black and Gold Gala**. This special evening will unite parents, staff, alumni, friends, and business partners for a night of celebration, community, and purpose.

This year's gala is focused on raising essential funds for technology and instructional enhancements that will directly impact our students and faculty. As we look toward the next 50 years, we remain committed to preparing our school to meet the evolving demands of education. Your support will help us:

- **Update and enhance curriculum** to provide increasingly dynamic, engaging, and interactive learning experiences.
- **Expand access to digital learning platforms** that foster personalized instruction and growth.
- **Upgrade classroom technology** to create more innovative and interactive teaching environments.

Your generosity is vital to making this vision a reality. We invite you to partner with us by donating a **tax-deductible item** to our gala auction. Whether you contribute a gift basket, gift certificate, or unique experience, your donation will help us reach our goals and will be gratefully acknowledged in our event and promotional materials.

To ensure recognition, please submit your donation and completed form by **February 6, 2026**. We would be honored to feature your business at this milestone celebration.

Thank you for being a valued part of the Northland Christian School community. With your support, we look forward to continuing our mission of providing a Christ-centered education that empowers students to thrive both in academics and in life.

With gratitude,  
Roger Elswick  
Head of School  
Northland Christian School
