2026-27 Tuition and Continuous Enrollment

As we look ahead to the 2026–2027 school year, we are pleased to share upcoming tuition information. Please note that all Northland families are enrolled through continuous enrollment, meaning your child will be automatically re-enrolled for the next school year.

If your family chooses to opt out of continuous enrollment, please email admissions@northlandchristian.org with your child's name, grade, and reason for opting out.

We are grateful for the partnership we share with our families and look forward to another year of growth and learning at Northland Christian School.

5th-Grade Roller Skates

We would like to provide you with a quick reminder of the PE Show equipment needed for the 5th grade. The 5th-grade year brings a lot of excitement and many traditions. Our annual PE Show is scheduled for Thursday February 26th, 2026. We will also be performing parts of our PE show the next day, which is Grandparents' Day. The 5th-grade class always shows off their roller skate/ rollerblade skills at the PE Show.

Classes will start practicing right after the Christmas Break. Coach Abt and Coach Jones want to give you a heads-up that your child will need a pair of rollerblades or roller skates by January 7th. The wheels need to roll smoothly and not come to a complete stop. Most important are the wheel bearings and the wheels. They should be rubber. Plastic wheels make it very difficult to skate and get any speed. The wheels should roll freely, not come to a quick stop. The sooner the students get their equipment and learn to skate, the better. The coaches will be teaching anyone who cannot skate. Students will also be required to wear a helmet, elbow pads, knee pads, and wrist guards every time they skate. These can all be purchased at Academy, Walmart or Amazon. If you have any difficulty with this please let Coach Abt or Coach Jones know so they can assist you.

Step Up to Middle School

We are excited to host our 5th-grade students and parents for a Step Up to Middle School event. Faculty, staff, parents, and students will share what NCS Middle School is all about and answer any questions you may have regarding middle school programming, curriculum, and activities. Be on the lookout in your inbox for our special email invitation soon. We can't wait to share all about middle school with you!

December Celebrations

Enormous thanks to all of our elementary families for their assistance and support of our Christmas celebrations. We had a fabulous celebration of our Lord's birth. From Christmas Spirit Week, Reason for the Season Day, Gingerbread Fun, Polar Express Day, multiple concerts, Grinch visits, train rides, a visit from Mrs. Claus, parties, and more - we were busy with lots of fun! Check out the December Northland Connection or follow us on Instagram @ncselementary for snapshots of all the great events!
