**ALUMNI SPOTLIGHT - Blake Haws**  
**(Class of 2000)**

---

Blake Haws is a Northland "long-runner" and a proud 2015 Cougar graduate. After receiving his Northland diploma, Blake received a B.A. in German and Spanish from SMU. He then went on to pursue and receive a Masters in Philosophy from the University of Houston. Upon completion of his Masters, Blake attended Dallas Theological Seminary for two years before joining a non-profit where he specialized in IT and donor relations.

Blake's faith in Christ, encouraged by his time spent with Northland faculty and staff, has shaped much of his character and passions. This faith is what led him to join an organization that allowed him to use his talents to show compassion through meeting the needs of the North Houston community.

While he enjoyed his work at the non-profit, Blake felt a call to pursue global missions and entered medical school. He is currently in New Orleans completing his emergency medicine residency program with an interest in global health. He has signed a partnership with the Mercy Hospital Network in Missouri and plans to continue building his medical expertise while serving the Midwest.

Blake met his wife, Regan, through friends affiliated with the Love Fosters Hope organization which provides loving and safe communities for children and young adults in foster care. Since being married, they have enjoyed traveling the world and highly recommend the Eitch Borromini for a "life changing" cup of cappuccino. Blake currently serves as a Deacon at Canal Street Church in New Orleans where Regan also leads worship. Regan participates actively in the recovery ministry, leading worship, and encouraging others to live a life of freedom found in Christ. They both enjoy taking the cutest and (according to their vet) most physically fit French bulldog on walks at City Park in New Orleans. Blake and Regan hope to continue to use their gifts and talents to serve in ways that provide tangible help to communities around the world. They pray that they are able to use their talents while sharing the love of Christ to all they encounter.

## Polar Express Day

Along with a PJ day, Cougar Cubs got to experience a fun train ride with their very own Golden Ticket and bells. They also enjoyed watching The Polar Express!

## Grinch Day

We had some very special visitors during Christmas Spirit week! The Grinch and Mrs. Claus came and spread some Christmas cheer with our students.

## Orchestra

Our wonderful orchestra director, Mrs. Hearn, showcased our Cougar's hard work and talent in a stunning Winter Wonderland concert. Mrs. Hearn's and our student's diligence and commitment to excellence was beautifully evident in their performance.

## Honor Choir

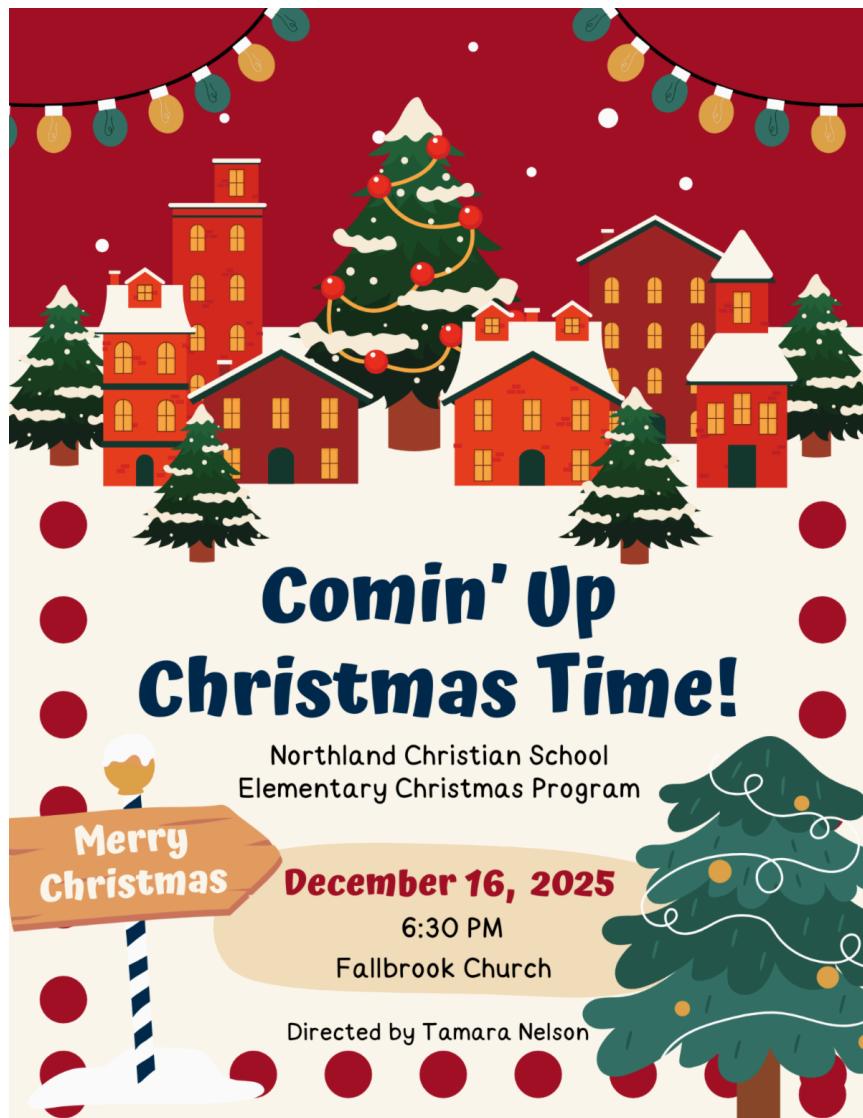

The Honor Choir was honored with the opportunity to sing the National Anthem at the Houston Texans game on Sunday, December 14th! They were chosen for this honor through two rounds of auditions and beat out several groups for the performance spot. Mrs Nelson with the help of Mrs Maw, Mrs Ashworth, and Mrs Vazquez arrived with the Honor Choir at NRG Stadium four hours before kick off to rehearse, walk through, and even visit with Toro! A bald eagle flew over the stadium as the students were singing! What an honor for thousands of fans to hear the name "Northland Christian School!" And the Texans won!

## Christmas Program

On December 16 the entire elementary performed a fabulous Christmas program at Fallbrook Church! We heard songs such as "Joy to the World," "O Come all ye Faithful," and "Away in a Manger." The Grinch even made an appearance at the concert! Congratulations, students, on a wonderful performance to remind us all of the Reason for the Season!

## Non-Honor Choir Goodwill Tour

Early in December, our 2nd-5th graders shared the joy of the season with residents at local retirement communities. This was the first year that the 2nd grade was able to participate and they had a blast!

They did a fantastic job representing NCS and spreading good cheer!

---

## Reason for the Season

Our Kinder and Leap class were able to partake in the Reason for the Season tradition on Dec. 3rd. They made baby Jesus dolls and performed a Nativity play for their class. Mrs. Maw visited the class and read *The Legend of the Candy Canes* to the students. Afterward, in keeping with the story, the Kindergarten and Leap students shared candy canes with the 2nd grade.

## Christmas with the NCS Orchestra

December was an eventful month for the Northland orchestras! Quickly on the heels of TMEA Region before Thanksgiving, the secondary students went on their annual Goodwill Tour, performing their snow-themed Christmas music at Willowbrook Methodist, Champions Healthcare and Woodglen Court. Students from elementary thru high school performed at the PTO breakfast the next morning, and then at the All School Christmas chapel. On Dec 11, all of the orchestra families gathered under the snowflakes and twinkling lights to watch the 3rd-12th graders showcase the pieces they'd been working so hard on. From the traditional 3rd grade plucking to the exciting Frost on the Plow finale by high school, the concert culminated with all the students performing Polar Vortex together and a burst of snowflake confetti in the air! A beautiful reception followed, as audience members congratulated and wrote notes to the performers, and family and friends took pics in the winter wonderland. Thank you to all who helped with the concert and reception!! See the following links to the concert:

### Cougar Soccer

Middle school soccer girls continue to battle this season. They have improved greatly and are building for our future. We had a tough 3-4 loss against Providence. One of our 5th graders, Sophia Graves, boosted the team with a hat trick scored against the Paladins. Our girls had a great team effort to make it a tough game for both teams.

The middle school boys soccer team is dominating a very tough league with their eyes on the championship. They still have a couple more battles ahead, but were able to beat their nemesis, Woodlands Christian, in penalty kicks for a great win before the Christmas break.

Middle school soccer will be traveling this week but will be home on the preview night to show off our soccer program in our stadium versus Covenant Christian girls play at 4:30 PM and the boys will compete at 5:45 PM.

Our varsity girls got another win against the Spring Royals making it three for the season. With a small but mighty crew, they are proving how tough they are against any opponent

Our varsity boys are continuing to have solid victories and are looking forward to starting district play

The Northland men and women's soccer team hosted and participated in the second annual Northland Christian soccer tournament the first weekend in December with our boys earning

the runner-up trophy at the end. It was a wonderful tournament and showed off our fantastic school.
